

# FLL Team Scoring

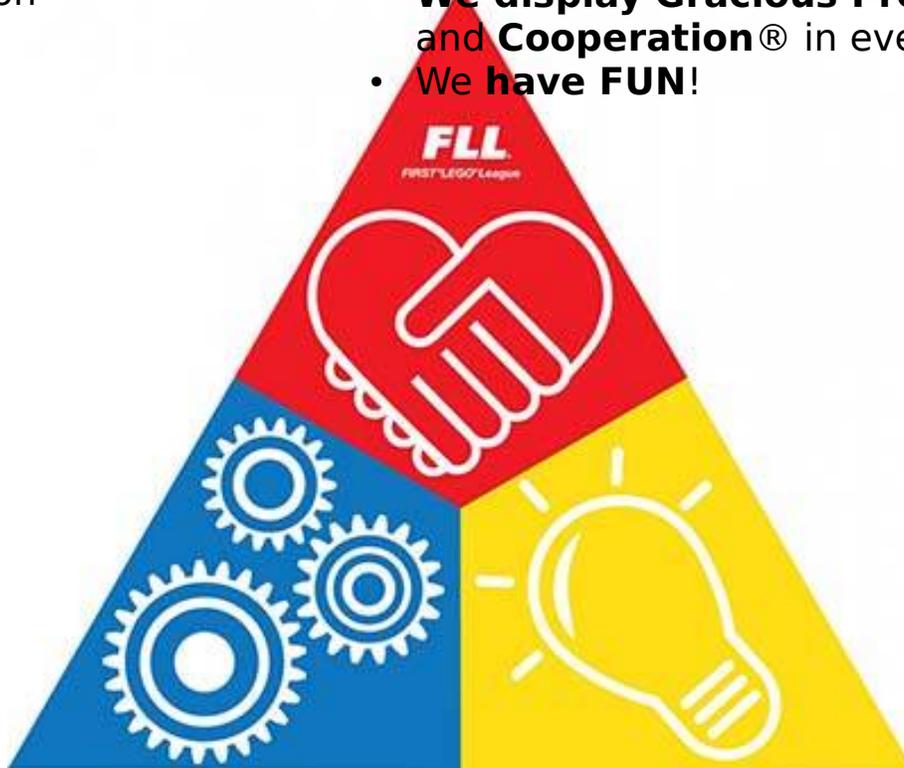

## General CORE Judging

- **Inspiration**
  - discovery, team spirit, integration
- **Teamwork**
  - effectiveness, efficiency, kids do the work
- **Gracious Professionalism**
  - inclusion, respect, cooperation

## Know the CORE Values!

- **We are a team.**
- **We do the work** to find solutions with guidance from our coaches and mentors.
- **We learn together and** know our coaches and mentors don't have all the answers.
- We practice **friendly competition.**
- **Discovery** is more important than winning.
- **We share our experiences** with others.
- **We display Gracious Professionalism® and Cooperation®** in everything we do.
- **We have FUN!**

## Robot Competition

- Accomplished objective points
- Team member interviews
- Robot design & demonstrations (see the judging rubric)

## Research Project

- Identify a real world problem
- Innovative Solve
  - Solution should make business sense, be affordable, be good for the environment.
- Share
  - Present final project to a group
